Trustee Cedillos Visits

California State University Trustee Ronald L. Cedillos was on campus Feb. 2 to meet with President Bob Suzuki and members of the campus community.

During his visit, Cedillos visited the College of Engineering and the Aerospace Engineering Department, toured the campus, and met with administrators, the Academic Senate Steering Committee, and student leaders.

Cedillos is president of Cedillos Testing Company, an aerospace nondestructive testing firm serving the commercial and military aerospace and defense industries. His term on the CSU Board of Trustees continues through 1999.
